

FVHS Theatre Production Notice for Fall and Winter of 2024-2025

*She Kills Monsters: Young Adventurers Edition &
The Play That Goes Wrong: High School Edition*

We would like to extend our deepest gratitude to everyone who auditioned and interviewed for our spring productions of *She Kills Monsters* and *The Play That Goes Wrong!* Your creativity, dedication, and passion were truly inspiring.

Friendly Reminder: As we complete the casting process, we encourage everyone to express their feelings with care. Whether you're feeling joy, disappointment, excitement, or frustration, please be mindful of how your words and actions impact your relationships within our theatre family and your future within the performing arts department.

If you've been cast in your dream role in *She Kills Monsters* or *The Play That Goes Wrong*, we ask that you celebrate with humility and empathy. Your enthusiasm is wonderful, but it's important to remember that others may be grappling with different emotions. Conversely, if the casting outcome isn't what you had hoped for, we encourage you to take a break from social media and spend some time doing something that brings you peace and relaxation. Reflection is a healthy part of the artistic journey.

In our theatre community, let's strive to support and uplift one another. Negative posts or comments on social media can have long-term consequences for relationships and the positive atmosphere we work hard to cultivate. Before posting or reacting, take a moment to pause, reflect, and choose kindness in your communication.

This message comes with love and encouragement from your directors and the entire *She Kills Monsters* and *The Play That Goes Wrong* teams. We are proud of each and every one of you and look forward to an incredible journey ahead with both productions!

Congratulations to all, and here's to an amazing season with *She Kills Monsters: Young Adventurers Edition* and *The Play That Goes Wrong: High School Edition!*
